MONTPELIER, VERMONT

## MONTPELIER

Frank O. Jangraw and Pervis E. Wood-  
worth were married last night at the  
home of Miss Woodworth's brother,  
Elmo Woodworth.

Montpelier will get \$1,100 of the state  
money, divided as follows: For the  
state's proportion of the expense of the  
permanent road on Berlin street, \$500;  
for the state's share on State street,  
\$200; automobile tax money, \$110; mil-  
lage of the city streets, \$300. At a coun-  
cil meeting, to be held Wednesday even-  
ing, outstanding bills for each depart-  
ment will be brought in, and it can be  
decided whether it will be necessary to  
raise a special tax. Many are of the  
opinion that it will not be necessary.  
The balance sheet for the use of the  
council shows an apparent shortage of  
over \$6,000 at the present time. In the  
street, sewer, sidewalk and bridge de-  
partments, about \$600 is left unexpended,  
according to the figures on the balance  
sheet. A considerable sum is due from  
the sprinkling, sewer and sidewalk  
assessments.

Harry J. Bertoli of this city has been  
awarded the contract for a \$4,000 statue  
of Col. Seth Warner, one of the heroes  
of the Revolutionary war. It is to be  
placed on the Bennington battle monu-  
ment grounds before next Memorial day.  
The cost will be paid by Col. Olin Scott,  
president of the Bennington Battle and  
Monument Memorial association. The  
bottom base will be ten feet square, and  
the granite pile on it will be 30 feet high.  
Surmounting the whole is to be the fig-  
ure of Col. Warner, in heroic size, in  
Continental uniform. On the polished  
sides of the base will be given the his-  
tory of the life of Warner. The founda-  
tion of the monument has already been  
laid. This is the most important statu-  
ary contract secured by a Montpelier  
concern for a long time. Mr. Bertoli is  
one of the most noted sculptors in this  
part of the country, and among his works  
is the monument to "Cassius" Young,  
for whose death Nan Patterson was put  
on trial for murder. This monument  
was approved by James Maher of New  
York city, a sculptor of considerable  
note, who was born and brought up in  
Rutland.

One Million Dollars  
for a Good Stomach

This Offer Should Be a Warning to  
Every Man and Woman.

The newspapers and medical journals  
have had much to say relative to a  
million dollar offer of a million  
dollars for a new stomach.

This great multi-millionaire was too  
busy to worry about the condition of  
his stomach. He allowed his dyspepsia  
to run from bad to worse, until in the  
end it became incurable. His misfortune  
should serve as a warning to others.  
Everyone who suffers with dyspepsia for  
a few years will give everything he owns  
for a new stomach.

Dyspepsia is caused by an abnormal  
state of the gastric juices. There is one  
element missing—pepsin. The absence of  
this destroys the function of the gastric  
fluids. They lose their power to digest  
food.

We are now able to supply the pepsin  
in a form almost identical to that natu-  
rally created by the system when in  
normal health, so that it restores to the  
gastric juices their digestive power, and  
thus makes the stomach strong and well.

We want everyone troubled with indi-  
gestion and dyspepsia to come to our  
store and obtain a box of Rexall Dyspepsia  
Tablets. They contain bismuth-sub-  
nitrate and pepsin, prepared by a process  
which develops their greatest power to  
overcome digestive disturbances.

Rexall Dyspepsia Tablets are very  
pleasant to take. They soothe the irri-  
table, weak stomach, strengthen and in-  
vigorate the digestive organs, relieve  
nausea and indigestion, promote nutri-  
tion and bring about a feeling of com-  
fort.

If you give Rexall Dyspepsia Tablets  
a reasonable trial, we will return your  
money if you are not satisfied with the  
result. Three sizes: 25 cents, 50 cents  
and \$1.00. Remember, you can obtain  
Rexall remedies in Barre only at our  
store—The Rexall Store, The Red Cross  
Pharmacy, Burt H. Wells, proprietor.

they are to practice in the hotel hall.  
It is expected some successful games will  
be played.

Miss Agnes Warren has closed a suc-  
cessful and pleasant term of school at  
Lower Cabot. Thursday evening the  
school gave an entertainment, consisting  
of recitations, songs and dialogues. The  
schoolroom was filled with spectators,  
who pronounced it a very enjoyable and  
interesting entertainment.

E. A. Nutt of Montpelier gave a talk  
in the town hall Wednesday evening on  
"Old War Songs." His historical ac-  
count of these was very interesting, as  
it was interspersed with the songs by  
the pupils of the Cabot high school, the  
veterans joining in the choruses. "March-  
ing Through Georgia" was also highly  
appreciated, as one of our worthy vet-  
erans sang it, and was joined in the  
chorus by the audience. It was a very  
patriotic and pleasing lecture.

The Thanksgiving entertainment, given  
by the grammar and primary depart-  
ments of the upper village school Friday  
evening, was well appreciated and en-  
joyed by a hall nearly full of parents  
and those interested in the progress of  
work, both by teachers and pupils. The  
entertainment could truly be called "A  
Puritan Thanksgiving," and was well  
carried out by the pupils, as their songs,  
recitations and tableaux indicated. All  
showed good training and manifested an  
enthusiastic spirit in their schoolwork.  
At the close, they gave a promenade,  
with refreshments of cake and ice cream.

## DISCRIMINATING LADIES.

Enjoy Using Herpelide on Account of  
Its Distinctiveness.

The ladies who have used Newbro's  
Herpelide speak of it in the high-  
terms, for its quick effect in cleaning  
the scalp of dandruff and also for its ex-  
cellence as a general hair-dressing. It  
makes the scalp feel fresh and it always  
that itching which dandruff will cause.  
Newbro's Herpelide effectively cures  
dandruff, as it destroys the germ that  
causes it. The same germ causes hair to  
fall out, and later baldness. In killing it  
Herpelide stops falling hair and prevents  
baldness. It is also an ideal hair dress-  
ing, for it lends an aristocratic charm to  
the hair that is quite distinctive, set  
by leading druggists. Send 3c. in stamp  
for sample to The Herpelide Co., De-  
troit, Mich.
